## PREFACE

It may be recalled that we had brought out Provisional Population Totals in Paper 1 of 1981 and its Supplement in the month of March and April, 1982, respectively. However, these figures were purely provisional based on the tahsil level charge abstracts as given by the Charge Officers.

2. Now, we had completed the final count and it is, but, natural that these final figures are brought out so that they can be treated as the figures valid for the decade and can be made use of in various Government Departments and academic fields.

3. The State final population figures, as given in this Paper, have been compiled tahsilwise with the rural/urban break-up. The total/rural/urban break-up of Scheduled Castes and Scheduled Tribes have been separately given for the convenience of the data-users which, indeed, are in great demand.

4. I hope and trust that this Paper will adequately meet the immediate requirements of the various Government Departments and other data using organisations who might be interested in having these figures.
