## P R E F A C E

After the 1981 Census enumeration, the provisional population totals were presented on March 3, 1981 in Paper-1 of 1981 to meet the immediate needs of data users. Soon thereafter, on June 6, 1981, a supplement to paper 1 giving more detailed but provisional information was also brought-out. After systematic checking, editing and manual tabulation, building up figures to household, to enumeration block and thereafter to towns and tahsils and districts the final figures of total population and Scheduled Caste and Scheduled Tribe population down to the charge level are presented herein. It is intended to meet the urgent macro-level needs of data users.

This volume comprises 2 tables; Table-1—Population of Uttar Pradesh and its districts-1981; and Table 2—Population of Uttar Pradesh by districts/tahsils/towns and cities.

Efforts are being made to start the publication of District Census Hand book within the next 6 months for each district of the state separately. I hope the data users will bear with me for some more time.

Dated : Nov., 1982.
