

CENSUS 1971

WEST BENGAL

FINAL POPULATION
(VILLAGES AND TOWNS)

WEST DINAJPUR
DISTRICT

DIRECTORATE OF CENSUS OPERATIONS
WEST BENGAL

P R E F A C E

The final population totals of 1971 down to the village level will be presented, along with other demographic data, in the District Census Handbooks. It will be some more months before we can publish the Handbooks for all the districts of the State.

At the request of the Government of West Bengal, we are therefore bringing out this special publication in the hope that it will meet, at least partly, the immediate needs of administrators, planners and scholars.

10th February, 1975
