CENSUS 2011 TRAINING

Brief History

- The question on disability was canvassed in all the censuses (**except 1941 Census**) of pre-independence era.
- Due to the serious doubts expressed by the earlier Census Commissioners about the quality of data, the question on disability was not canvassed in the censuses of 1941, 1951, 1961 and 1971.

2011

CENSUS 2011 TRAINING

Brief History contd...

- At the 1981 Census information on three types of disabilities was collected
- The question was not canvassed at the 1991 census
- At the census 2001 the question on disability was included in census schedule

2011

Q13 State of attendance
Attending _____ State with...
Not attending _____ State with...
Special provision for disabled _____ State with...

CENSUS 2011 TRAINING

Brief History contd...

Moderate success was achieved at 2001 Census

- Generally it is felt that canvassing the question on disability in Population Census is difficult. The major reason being.....

2011

Attitudes which are the real disability

Page total: 1/1

Table with columns for Population (M, F, O) and 14-year population (M, F, O).

Q.6 Current marital status: Never married, Currently married, Separated, Divorced

Q.7 Religion: Hindu, Muslim, Sikh, Buddhist, Jain

* NOTE: SC can be only among the Hindus, Sikhs and Buddhists, ST can be from any religion

Q.8 Disability: In seeing, In hearing, In speech, In movement, Mental retardation, Multiple disability

Q.13 Status of attendances: Attending school, Not attending school, Special education, Attending other institution, Not attending any other institution

CENSUS 2011 TRAINING

Before you set out...

Remember:

- The question on disability is a very sensitive question- needs skillful handling;
- Ask politely-break the ice-make the respondent to overcome the hesitation /cultural barriers, if any;
- Explain the purpose;
- Use very simple language. Do not use terms which may irritate the informant;

CENSUS 2011 TRAINING

Before you set out...

Remember: Contd...

- Ask the question about all members of the household irrespective of their age and sex;
- Make doubly sure that you enquire about the disability of elderly M/F, infants and girls of marriageable age present in the household;

CENSUS 2011 TRAINING

Before you set out...

Note:

- Temporary impairments **are not to be** treated as disability;
- Disability of the person will be decided with reference to the date of enumeration;
- Respondents perception will be treated as final.

NOTE
SC can be only among the Hindus, Sikhs and Buddhists, ST can be from any religion

CENSUS 2011 TRAINING

Word of Caution

- Do not be a judge yourself- those who look normal might be suffering from disability;
- Do not act like a medical expert;
- As far as possible do not allow outsiders while canvassing the question;
- Do not laugh or change your expressions.

2011

CENSUS 2011 TRAINING

Remember

Your personal skill to extract information will make the real difference

CENSUS 2011 TRAINING

Question 9: Disability: What is new?

- Categories of disabilities have been increased from five at 2001 Census to eight at 2011 Census;
- Category of 'Any Other' created to ensure complete coverage;
- Attempts to collect information on all types of disabilities listed in PWD Act, 1995 and National Trust Act, 1999.

Q. 9

Disability

9(a) Is this person mentally / physically disabled?
Yes-1/No-2

9(b) If 'Yes' in 9(a), give code in the box against 9(b) from the list below

9(c) If 'multiple disability' (Code '8') in 9(b), give maximum three codes in boxes against 9(c) from the list below

9(a)

9(b)

9(c)

CENSUS 2011 TRAINING

About the codes

- There are in all eight codes for as many types of disabilities;
- Disability status would be determined by codes 1 for 'Yes' and code 2 for 'NO' in question 9(a);
- You have to put appropriate codes and put them in the right boxes;

Q.9 Disability	
In Seeing1	Mental Retardation...5
In Hearing.....2	Mental Illness.....6
In Speech.....3	Any Other7
In Movement...4	Multiple Disability....8

CENSUS 2011 TRAINING

About the codes Contd...

- Ascertain if the person suffers from mental/physical disability;
- For answer as 'Yes' Code-1 will be put in the box against (9a). If the answer is 'No' Code- 2 will be put. See illustrations 1 & 2;
- If code -2 has been put in the box against 9(a) also put (-) in boxes against 9(b) & 9(C) and move to next question;

9(a)	1		
9(b)			
9(c)			

9(a)	2		
9(b)	-		
9(c)	-	-	-

2011

CENSUS 2011 TRAINING

About the codes Contd...

- If the person is suffering from disability, do not put code immediately in the box against 9(b)- instead, enquire if She/he suffers from multiple disabilities;
- Only after confirmation, put appropriate code in the box against 9(b). See illustration-3;

An illustration of a form section for disability. It shows three rows of boxes labeled 9(a), 9(b), and 9(c). Row 9(a) has a box containing the number '1'. Row 9(b) has a box containing the number '4', which is highlighted with a red border. Row 9(c) has three boxes, each containing a hyphen '-'. An orange arrow points from the text in the blue box to the red-bordered box in row 9(b).

CENSUS 2011 TRAINING

About the codes Contd...

- In case of Multiple disability, code -8 will be put in the box against 9(b) and more than one code will be recorded in the box against 9(c) as per the preference of the respondent;
- Up to a maximum three codes for as many types of disabilities would be recorded in the box against 9(c).

A diagram illustrating the recording of multiple disabilities. It shows a form with three rows: 9(a) with a box containing '1', 9(b) with a box containing '8', and 9(c) with three boxes containing '1', '2', and '3'. A red box highlights the three boxes in row 9(c), and an orange arrow points from the text in the blue box to this red box.

9(a)	1		
9(b)	8		
9(c)	1	2	3

CENSUS 2011 TRAINING

Remember

Codes in the box against 9(c) will be entered **only if** code -8 has been entered in the box against 9(b).

CENSUS 2011 TRAINING

Disability 'In Seeing': Definition

A person will be considered having disability "In Seeing" if She/he:

- Can not see at all or has no perception of light even with the help of spectacles;
- Has perception of light but has blurred vision even after using spectacles;
- Can see light but can not move about independently needs aids like walking stick etc.;
- Persons with blurred vision who had no occasion to test if their eyesight would improve will be treated as disabled 'In Seeing'.

2011

CENSUS 2011 TRAINING

Disability 'In Seeing' Contd...

Important:

1. One eyed persons will not be treated as disabled 'In seeing'
2. Night blindness and/or color blindness alone will not be treated as disability "In Seeing".

Code-1 will be put in the box against 9(b)

A diagram showing a section of a census form for disability in seeing. It consists of three rows of boxes. The first row is labeled '9(a)' and contains one box with a vertical line. The second row is labeled '9(b)' and contains one box with a vertical line, which is highlighted with a red border. An orange arrow points from the text 'Code-1 will be put in the box against 9(b)' to this box. The third row is labeled '9(c)' and contains three boxes, each with a horizontal line.

CENSUS 2011 TRAINING

Disability 'In Hearing': Definition

A person will be considered having disability "In Hearing" if She/he:

- Can not hear at all (She/he is deaf)
- Uses hearing aid;
- Has difficulty in day to day conversational speech (hard of hearing).

CENSUS 2011 TRAINING

Disability 'In Hearing' Contd...

Note:

- Persons having hearing loss in only one ear will not be considered as having disability 'In Hearing', which will be considered only if hearing in both ears is impaired.
- Code-2 will be put the box against 9(b) as illustrated

A diagram illustrating the placement of a disability code. It shows a grid with three rows labeled q(a), q(b), and q(c). Row q(a) has a box containing the number '1'. Row q(b) has a box containing the number '2', which is highlighted with a red border. Row q(c) has three boxes, each containing a hyphen '-'. An orange arrow points from the text in the note to the box containing '2'.

CENSUS 2011 TRAINING

Important

Generally persons born with hearing disability are also unable to speak (deaf & dumb). For Census purpose they will be put under the category of 'Multiple disability'.
